SETTING

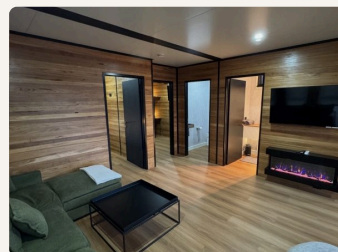

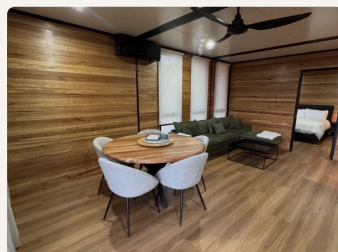

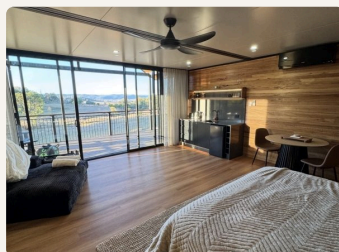

Boulder Ridge is a striking, high-end home crafted from eight 20-foot high-cube shipping containers. Fully insulated panels, hardwood timber wall panelling, all-copper fittings and taps, and expansive glass walls create a warm, refined interior that feels anything but industrial.

Designed with colder climates in mind yet engineered for performance Australia-wide, it can be built to any energy rating and insulation level to suit the climate. Multiple configurations are available in 3- and 4-bedroom layouts, all finished to the same high standard.

## BUILT IN AUSTRALIA

Factory-built at our South Lismore NSW workshop and delivered to your site.

**Delivery Australia-wide, quoted to your site**
