JOINS

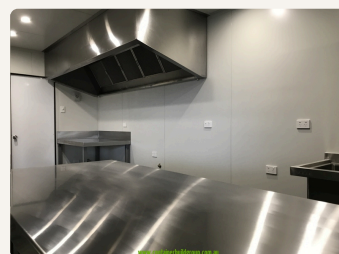

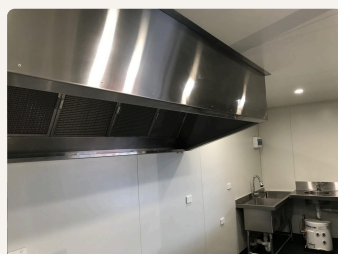

Our 20FT Commercial Kitchen Container is crafted from a new High Cube container. Internally lined and insulated, its stainless steel tops and appliances elevate the aesthetic and meet high hygiene standards.

The R10 non-slip coved vinyl floor keeps the environment safe, and every internal join is sealed to health code specifications. Expand it with multiple joined containers or opt for a larger 40FT container.

BUILT IN AUSTRALIA

Factory-built at our South Lismore NSW workshop and delivered to your site.

Delivery Australia-wide, quoted to your site

Commercial Kitchen Container
