CEILINGS

**Crystal's Palace sits on a sloping block in Coffs Harbour NSW. The home combines three 40ft containers and one 20ft container with a conventional build for the middle section.**

The 20ft container sits under the top storey as storage and part of the footing, lifting the home to catch the views. All container work was done in our South Lismore factory within three weeks; six weeks after install, the family of five moved in.

### BUILT IN AUSTRALIA

Factory-built at our South Lismore NSW workshop and delivered to your site.

**Delivery Australia-wide, quoted to your site**
