

20FT STANDARD DG CONTAINER

Dangerous Goods Container

Ventilated, secure storage for gas and chemicals with a 2500 litre bund capacity.

PRICING

Price on application**2,500 L**

BUND CAPACITY

Full 6m bifold

DOORS

76.4 m³

VOLUME

The dangerous goods shipping container is a 20ft standard DG container, modified with 12 additional galvanised mesh vents to the bifold door panels, and a steel mesh floor in case of spills. The modifications keep the unit well ventilated while maintaining strong security.

The bifold door panels open up the full 6m width, so contents can be removed easily and quickly, and the doors are well balanced for one person. It can be fitted with shelves and frames to suit, and needs no extra footings on solid, flat ground.

BUILT IN AUSTRALIA

Factory-built at our South Lismore NSW workshop and delivered to your site.

Delivery Australia-wide, quoted to your site

Dangerous Goods Container
