Presenting the 20Ft Granny Cabin, an embodiment of modern living and efficient design. It boasts an unrivalled blend of affordability and quality. The clever layout incorporates expansive windows and doors, seamlessly connecting the interior to the outside world.

Compact yet thoughtfully designed, it ensures efficiency while offering ample room for customisation. Leveraging the robustness of shipping containers, we extend the cabin with insulated patio roofing panels, integrating outdoor spaces. Uses range from an eco-tourism retreat to additional income or essential accommodation across Australia.
