Our Container Mobile Clinic Off Grid, 20Ft, is purpose-built for the pragmatic demands of commercial use, affordable without compromising on quality. Its layout incorporates generous windows and doors, so natural light enhances the ambience and functionality of the clinic.

Harness the structural integrity of shipping containers and extend the clinic with insulated patio roofing panels, creating outdoor space for a deck or carport. Applications range from eco-tourism to providing essential services in underserved areas.

BUILT IN AUSTRALIA

Factory-built at our South Lismore NSW workshop and delivered to your site.

Delivery Australia-wide, quoted to your site
