BUILT FOR

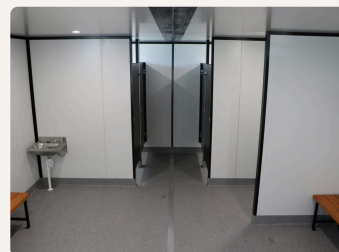

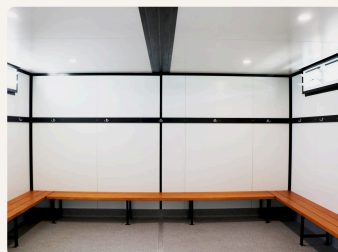

This multi-use amenities range is built from four 40ft containers for councils and sporting clubs. One of these blocks was built for Lismore City Council and installed at Mortimer Oval in Lismore NSW.

Change rooms, an accessible bathroom, toilets, showers, canteen storerooms and an outdoor area: a turnkey amenities package rather than a kit of parts. Units are lined and insulated for heat and cold, and engineered for weather and heavy public use.

BUILT IN AUSTRALIA
