2 × 40ft
CONTAINERS

2 bed · 1 bath
LAYOUT

8m unsupported
ROOF SPAN

The Lennox shipping container home has been designed with 2 × 40 foot containers with a large covered deck. Internally it has been upgraded to black powder-coated walls with a timber feature wall to create warmth. It has 2 bedrooms and 1 bathroom.

Our specialised roofing system can span 8m without any support in the centre, creating large covered areas for the deck and carport with minimal onsite work. Fully insulated, it is a finished product once installed: no need for painting or plaster.

BUILT IN AUSTRALIA

Factory-built at our South Lismore NSW workshop and delivered to your site.

Delivery Australia-wide, quoted to your site
