INSTALL ON SITE

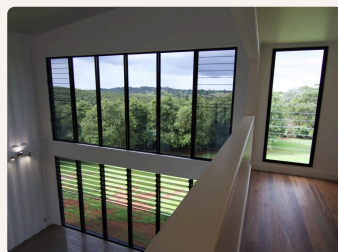

The Lindendale sits in Lindendale, a few minutes out of Lismore in the Northern Rivers. It's a family home built from fourteen 20ft shipping containers, finished with top-end fittings against the bold, industrial look of the steel.

Every container was fitted out in our South Lismore factory, so the containers left finished. From start to finish the Lindendale took less than 10 weeks, and all fourteen containers were craned into place within five hours.

BUILT IN AUSTRALIA

Factory-built at our South Lismore NSW workshop and delivered to your site.

Delivery Australia-wide, quoted to your site
